

South Dakota Department of Health WIC Program Retailer's Note – October 2007

NEW CHECK STOCK

The South Dakota WIC Program has new check stock. The color is pink and blue instead of gray and the layout on the check has changed. Below is a sample of what the new check looks like.

So far Pennington, Hughes and Codington counties have migrated to the new system. The remaining counties will be set up in the near future. Please be aware that you will continue to see the old gray checks for several months.

PRICE LIST UPDATES

Remember to continue sending us your price list updates. It is important that all retailers with price increases and significant decreases send them in as soon as possible. These prices are used to figure an average price per food item within each peer group. If we do not receive the updates the peer group averages will not reflect price increases. Enclosed is a new update form for your use, feel free to make copies.

FOOD SHOPPING GUIDE

The South Dakota WIC Food Shopping Guide is to be accessible by each register. If you need more copies please contact Renee Osterkamp. For quick reference you can also access it through the Department of Health Website.
